Here you go. Hasn't been given a management thumbs up yet.

Response to comment is appendix E of the supplemental info. Some reference to it in the Tox review as well.

Subject: RDX response to public comments appendix

Hello Lou and Sue,

I think that you already send me your draft response to public comments appendix for RDX, and I'm really sorry to ask, but could you forward that along again?
I was going to adapt the language that B(a)P used in their response, but RDX is so much newer and shinier...

Thank you!
Jason
